God doesn't do politics, God's not an American, He did not write the Constitution or the Declaration of Independence and HE is not Democrat or a Republican. God is Infinite, Omniscient, Omnipresent and Omnipotent and He NEVER makes mistakes. HE never picks the wrong guy for the job, although the guy chosen is human and has the capacity to screw up.

God is not into approval ratings or votes of confidence. So when there's a mutiny or an attempt at a coup, God sides with the anointed and squashes the rebellion in a heartbeat. Our Haftarah portion (I Sam 11:14-12:22) tells us God chose Sha'ul to be the first king of Israel and David knew not to mess with God's anointed and thus NEVER did anything to physical harm King Saul, even when Saul was in rebellion against God. Thank ADONAI that HE restores the chosen ones when they fall (John 21:15-17).

Shabbat Shalom and Shavuah Tov!
