

RaYBaSH's Torah Thoughts for Kids

Parashah # 2 Noach (Noah)

Gen. 6:9- 8:14

By: Yehudah ben Shomeyr

The Torah, Haftarah and Brit Chadasha portions are about unity and unity can be a good or bad thing.

For example, do you know a group of kids in your neighborhood or school that are a gang or a bunch of trouble makers who just bully people around? If so, they are unified for a bad cause. Just like at Babel. The people were unified for a selfish reason that left out God and ended in God mixing up their languages and broke up the unity.

There is a good unity too, like when kids get together and raise money to help sick or poor people. In the book of Acts the people were unified to tell people about God, Torah and Messiah! It was a reversal of the events at Babel because the Scriptures say that everyone heard in their own language! And in the future Isaiah and Yochannon in the book of Revelation tells us that Messiah will return to set up a unified world for the glory of God and reign in Jerusalem and rule by Torah.

Let's continue the unity started in Acts where we tell others about God, Torah and Messiah for this will bring about more quickly the return and reign of Messiah.

Shabbat Shalom and Shavuah Tov!

MEMORY VERSE:

- Therefore is the name of it called Babel; because the LORD did there confound the language of all the earth: and from thence did the LORD scatter them abroad upon the face of all the earth. - Gen.11:9
