Parashah # 30 Kedoshim "Holiness"  
Vayikra / Leviticus 19:1-20:27  
By: Yehudah ben Shomeyr**

Do you have a special dress or suit that you only wear to synagogue or special occasions? Do you have a special cup that only you use and drink out of? If you do, those things are holy. Not in the religious sense, but holy in the fact that it is set apart for a special use or purpose, which is what the word holy or holiness means. God's Torah is Holy and wants us to be Holy (Set Apart) by obeying it.

Shabbat Shalom and Shavuah Tov!
