Parashah #25: Tzav "Command"
Vayikra / Leviticus 6:1-8:36
By: Yehudah ben Shomeyr

Have you ever been to a party of a hero? Of where someone is just an all-around great person and people just want to thank them by throwing a party for them? Well, this is what a Thank Offering is like in our Torah Portion, a sacrifice is made and part of it is used for a feast where the one who brought the sacrifice and the priest offering the sacrifice eat part of it and it is like throwing a party for God who is the Guest of Honor and it is used to thank Him for all that He has done in that person's life. Maybe it is to thank Him for a good harvest this year, or for bringing them back safe from war, sickness or a long business trip. Be sure to thank God every day for that He has done for you. It is a way to count our blessings.

Shabbat Shalom and Shavuah Tov!
